

Shultz Family Leadership in Humanitarian Engineering Speaker Series

Oil on the Edge

The Interrelated Histories of
Petroleum in the Alaskan Arctic
and the Gulf of Mexico

Presented by: Dr. Tyler Priest

Wednesday October 21st 6 pm
BB (Brown Building) W 280

Tyler Priest is Associate Professor of History and Geography at the University of Iowa. He is the author of the prize-winning book, *The Offshore Imperative: Shell Oil's Search for Petroleum in Postwar America* (College Station: Texas A&M Press, 2007), and coeditor of a 2012 special issue of the *Journal of American History* on "Oil in American History." In 2010, he served as a senior policy analyst for the President's National Commission on the BP Deepwater Horizon Oil Spill and Offshore Drilling. His current book project is "Deepwater Horizons: The Epic Struggle over Offshore Oil in the United States."
